

## Grant application form for visual artists

Our grants are made to support people working in the visual arts. Visual arts include painting, drawing, sculpture, ceramics, photography, glassmaking, films, textiles and installations.

Our grants typically help with materials and exhibition costs.

Our average grant is £350-£400

If you have already received a grant from us, you **will not** be awarded a second grant.

We **do not** support the performing arts.

We **do not** give grants for student fees/maintenance nor for purposes unrelated to art.
